PRESIDENT'S MESSAGE

The theme of this article is going to be about repurposing. I couldn't find the definition in Webster's Dictionary, however, my computer defines repurpose as adapt for use in a different purpose, (now all you retired teachers will let me know one does not use the word in your definition).

My choice in using this word relates to our common area amenities and how we may make better use of some portions. For instance, we all acknowledge we are short on storage space. The Board is exploring repurposing the outdoor shuffleboard courts by converting that space into more usable storage. The SCCA durable items are an unattractive addition, hugging the walls in every hall and meeting room. Maintenance has completely run out of storage space. I am well aware various clubs hold BBQ's there for lack of a more suitable space. The portable grill allows scheduling these types of functions in multiple and more attractive areas of our campus.

We are seeing the beautiful results of "repurposing" our landscape under Maintenance

Renovations coming to SCCA facilities

Exciting News!

The year 2014 is going to be just the start of some great renovations taking place at the Sun City Civic Association facilities! There are some things that simply need a facelift when they get old.

The Board of Directors has interviewed and has plans to soon select an architectural firm and construction project management team to do renovations on Webb Hall (including the East and West Rooms), and a complete remodel of the Old Shuffleboard Court to convert it to useable additional storage areas for the campus.

This project all began when the Association started to make plans to replace the Webb Hall flooring, found some problems, and then started looking around at the sagging ceiling, old windows and roof that needs to be replaced, and much more. So all the reserve items were moved up to take place in 2014 and a decision to undertake this major project has been made! And we're all very excited! We hope you will be too!

It won't happen overnight, but there will be a process of seeing renderings of what the end product might look like, getting bids on costs, cutting back where needed, adding where required, and of course.... the whole permitting process with the City of Menifee. Good news there is, upon an initial meeting with the City, that approval process may take only 4 months or less! And yes... we the Board will have a Special Presentation to the members!

The goal is to have a modern, up-to-date facility that is highly desirable (and doesn't look so much like a high school auditorium or gymnasium) and is more usable for residents to rent out for wedding anniversaries, celebrations of life, birthday parties and of course, events sponsored by the Association and the various clubs. There are no plans to change the exterior of the building (other than the roof). Some of the architects suggested having the side of the building that faces the Amphitheater being all nice tall windows, with a patio so users can spill out onto that large concrete area. What about dancing under the stars? Can you envision it? We hope you will support the Board's actions.

Please rest assured that the members will be kept updated as things move along, including a presentation of what is being proposed once it gets narrowed down to that part of the process.

In the meantime, also in 2014, we plan to do a lot of interior painting of the other facility rooms, including the office and lobby. The Board just approved the installation of new tile floors for several areas on campus including Civic Hall, benches to be installed throughout the campus to help residents who need to "sit a while" to maneuver the distances between buildings, new concrete trash cans and some nice new folding chairs. The rest of the old green vinyl chairs are also going to be reupholstered to match the newly done beige chairs. We're continuing to work to make your community facilities a place you can be very proud of and a pleasure to use!

Core to offer Christmas festivities December 21

Celebrate the holidays with your family and friends at the Sun City Civic Association's 2nd Annual Christmas with the Core on Saturday, December 21st at 4pm-8pm in the SCCA North Town Hall and Webb Hall. Last year it was a sold out event, so don't miss this one!!

Dinner will be served in North Town Hall at approximately 4:30pm and will include Appetizers, Turkey, Vegetables, Mashed Potatoes, Salad and Dessert. Appetizers and Dinner will be served to you at your table and you can then go and select your choice of dessert afterwards. Don't forget to bring your Christmas Wish List for Santa at Dinner! Pictures with Santa will be available for purchase at this time. There will be some GREAT entertainment, dancing, door prizes and more taking place in Webb Hall at 6pm following dinner.

Tickets to attend Christmas with the Core can be purchased at the SCCA Office for $10 beginning November 1st. There is limited seating to this event! Purchase your tickets before we are sold out! (Tickets required for admittance.)

For tickets and more information please contact Activities Coordinator Alesia at 951-679-2311 ext.27

FORUM

Please mark your 2014 calendars now and please plan to attend the Candidate's Forum on Saturday, January 11, 2014 at 2:00 P.M. in Del Webb Hall. The Forum will give SCCA members the opportunity to meet the Board of Director Candidates for 2014 and ask questions regarding their goals if elected to the Board. Each candidate will be allowed up to five minutes to speak. A question and answer period will follow. Nancy Davis, SCCA General Manager will serve as moderator.

CLUB ACTIVITIES

Sun City Merry Makers Club

If you like to sing, dance or perform skits, please join us in the Trophy Room the first three Mondays of the month at 1 p.m.

The purpose of this club is to bring joy and laughter to the residents of Life Care Center in Sun City and Centinela Grand in Perris. The club performs at these two centers on the fourth Monday of each month as a public service. On the fifth Monday of any month, we perform for the Kay Ceniceros Senior Center in Menifee at the Adult Day Care Center.

The club is for anyone who is a "sing in the shower" singer or if you like to whistle, dance or hum, we would be happy to have you join us at the Trophy Room first three Mondays of the month.

Please contact Caroline O'Conner for further information at 301-9045.

Sun City Merry Makers ready to perform and bring joy to others through song.

GFWC Menifee/Sun City Woman's Club

Our Members:

Women who are dedicated to community improvement through volunteer service. Members are teachers, elected officials, homemakers, retirees, and corporate executives who have diverse talents and interests. Our members strive to promote education, eliminate illiteracy, encourage faithful citizenship, preserve our natural resources, encourage healthy lifestyles, fight to prevent crime, support the arts and contribute to international understanding.

Our Goals:

The club's objective is for 1) the promotion of education, preserving natural resources, encouraging healthy lifestyles, contributing to the world peace and international understanding 2) supporting participation in the arts 3) to encourage leadership for individuals, for the schools and for our communities 4) to train volunteers who will work to eradicate illiteracy 5) to provide our youth with the vocational and technical tools they need to be successful and productive citizens 6) to motivate and produce the kind of volunteers that will meet the needs of their communities and make a positive impact in our community.

Our Projects:

The GFWC Menifee/Sun City Woman's Club has in the past successfully organized a series of projects for the benefit of the community. The club's projects include domestic violence, the Community Cupboard, the Crime Watch, Fire and Police Departments, and many more. Projects at a state and international level include Heifer International Project, Penny Pines and Ronald McDonald to name a few. The Club organizes many fundraisers to contribute to the projects above and to award Academic and Nursing Scholarships, as well as awards for art and photography projects.

IF YOU BELIEVE IN OUR GOALS AND WANT TO HELP WITH OUR PROJECTS, PLEASE COME AND JOIN US. OUR MEETINGS ARE THE 4TH MONDAY OF EACH MONTH SEPTEMBER THROUGH MAY AT 11AM.

Location is Sun City Civic Association Webb Hall 26850 Sun City Blvd, Sun City, CA.

If you have questions, please call Pam Finley 951-961-9820 or Dee Wheatbread 951-246-9106.

CLUB ACTIVITIES

AARP Club

Starting January 1st 2014 the AARP 55+ course fee changes. The course will now cost $20.00 for non-AARP members and $15.00 for AARP members. AARP Smart Driver Courses are available on the last Wednesday of each month in the West Room at 8am for Full Courses and 10am for Refresher courses. Please contact AARP 55+ P.S.O. President Don Duncan at 951-244-7513 to make a reservation for an AARP 55+ Smart Driver Course.

Wii Club

Congratulations to our Wii Club members for putting on such a great display of the bowling game for the SCCA residents at the Labor Day event, to play. We had a sign-in sheet for residents, which had two pages of names at the end of the day!

To all of you that enjoyed the game, we would love to see you on our regular day, every Tuesday at 12:30pm. Come and join us for a fun few hours. We are in the Game Room/Wii Room across from the Veterans Memorial Waterfall.

HAPPY HOLIDAYS TO ALL OF OUR RESIDENTS!

Organ and Piano Club

Do you play the organ or the piano? Come play music with us! We practice the last Wednesday of every month from 1p.m. to 4p.m. in North Town Hall. We also play at various local functions like the Garden Club, Explore the Core and Christmas Parties. For more information contact Art Froehlich at 951-679-5491.

Happy Holidays from the Sun City Players

Come join us-the second Monday of the Month- in January 2014 at 3p.m. in Webb Hall.

We need actors, stagehands, electricians, make-up and wardrobe assistants, etc. etc.

Come join the fun!

Call Donna at 679-1514

The purpose of the Sun City Art Guild is to motivate an interest in the arts through monthly meetings held each third Friday of the month September through May at 12:30pm in the Art Room except December & May when we meet in North Town Hall.

Fine artists from the area demonstrate painting techniques in oils, acrylics, watercolors, pastels and gourd painting, etc.

Drawings are held at each meeting for the demonstrator's painting or one of his/her prints. Also, members bring one of their paintings for all the members and guests to vote on, for which the winners receive ribbons. Refreshments also served.

Throughout the year there are art shows, member's exhibitions, workshops and interesting trips.

The Art Room is next to the Crystal Pool, is open on Monday to Friday from 9a.m. to 4p.m. to paint and learn from one another.

You must be an SCCA member to join. We would love to have you join us. If you are interested, please call the membership chairman Bob McGee at 672-7847 or bmcgee39@verizon.net.

IMPORTANT NEWS FOR RESIDENTS

From the Activities Coordinator to you

Do you like being up to date on the latest news and events? Please send us your email address so we may inform you of the latest SCCA Club events, activities and important SCCA news. We want to create a residential emailing list so we can make sure that you are able to participate in all of our fun SCCA activities and insure that YOU get the most out of YOUR community! Also if you have any recommendations for activities, performers, or entertainers you would like to see, please come to the SCCA Office and fill out a suggestion form. We want to hear what you want for YOUR events and activities!

In the last month, Avalon Management hosted a luncheon for the Activity Coordinators of many of the nearby senior communities to "share ideas and success stories" and find out what has been popular in those communities. We've gotten a ton of new ideas we want to bring here to SCCA! But…. They won't be successful here unless you participate! So, look forward to 2014 being an even better activity year! The Board has even budgeted some money so we can provide Association-sponsored events for you!

Submitted by Alesia Strachan, Activities Coordinator

From Administrative Assistant Desk to you

We are always looking for volunteers for our committees, the more participation the better for SCCA. You can find the sign-up sheets in the SCCA office, and at our Board meetings once a month.

Residents are encouraged to attend our SCCA Monthly Board Meetings the 4th Thursday of each month in the Del Webb Hall at 7:00p.m. in order to keep informed of what's happening at YOUR association.

Remember, all of you are part of the SCCA Association!

Submitted by Roxie Holliday Administrative Assistant

From the front desk to you

The 2014 year is coming sooner than you think (Wow, where did this year go?) and with that Occupancy Re-Verification forms are mailed out again. I know some of you feel it is a waste of time and paper and that you aren't getting any younger, but each resident must re-verify their occupancy every 2 years in accordance with federal regulations. This form is necessary to ensure that the Sun City Civic Association continues as a 55+ community! And all of us here in the office are doing everything we can to make sure that your community remains your community!!

Your cooperation is essential to our continued right to operate as a senior community. So, please when you receive the 2014 Occupancy Re-Verification form, make sure that you fill it out and return back to the SCCA office. This is YOUR community and we want to keep it that way for your enjoyment!

Submitted by Lynne Hoop, Director of First Impressions

From Member Services to you

In an effort to keep your community running smoothly, we want to make sure that every caregiver has the correct forms from our office completed. Each caregiver needs to fill out a form themselves and have the resident's doctor complete a set of forms. The set of forms will need to be stamped by the doctor and preferably come straight from his or her office to ours. Help avoid getting a violation--Stop by the office or call us at 951-679-2311 to get your proper caregiver forms today!

Supervisor Tom Willingham's resourceful expertise. Which, by the way, take a look at the areas he has created adjacent to Lawn Bowls and the Waterfall to see for yourself the results of his endeavors. Stunning and a great job, Tom and staff!

Frequently, I am asked why there can't be a court area for tennis as well as other activities such as volleyball, badminton and the newest activity which is becoming popular, pickleball. The space presently occupied by the no longer used amphitheater would lend itself very well for this purpose and provide for activities enjoyed by active adults.

While the Board is considering a top to bottom, end to end rehabilitation of Webb Hall, North Town Hall is following closely behind in its need for updating. These halls have 50-year-old history but now their age is definitely showing. A much needed repurpose of these halls (as well as Civic Hall) to provide for members weddings, anniversaries, family reunions and celebrations of life is being brought to the office staff on an almost daily basis.

My purpose in this article is to ask you, the members, to think outside the box. In closing, on behalf of the Board of Directors, I want to extend the greetings and blessings of the season to our residents as this will be the last issue for this year.

EMPLOYEE SPOTLIGHT

"If man made it, I can fix it!" says Tom Willingham.

Many of you may have noticed a lot of improvements being made here at the Sun City Civic Association over the past year, such as the new cactus garden, the mulch in replacement of the grass around campus and the restored waterfall memorial. The reason for all of these improvements? Our maintenance manager Tom Willingham! Tom has been in the maintenance business for over 40 years now, starting in building maintenance, where he then moved onto roofing and pool maintenance. Today he helps keep the Sun City Civic Association facilities in tip-top shape to insure the very best facilities for our residents use, club activities and events. Though Tom insists that much of what he accomplishes here at the SCCA is a team effort, "I have a great team of hardworking guys. I couldn't do it without them." One of Tom's many current projects along with the upkeep of the facilities and redoing the stages in the main halls, are plans for the SCCA to move towards using solar energy, in order to help the SCCA save some money and conserve energy! The next time you see Tom or any of our maintenance staff, please be sure to take a moment to thank them for all that they do here at our association.

Four new directors to be elected in February

It's time…. It's time…

Yes, it's that time again! Before we know it, the 2014 Annual Meeting will be here and with that comes election of new directors. In February 2014 we will have four (4) vacancies, each for two-year terms. We are looking for fresh new faces and a new energy to help breathe new life back into this great community! It starts at the Board level. Please consider being a part of your community by setting the goals, objectives and policies integral to SCCA's success. The deadline to return applications to the Admin office is Friday, November 15th by noon.

SCCA members, who are legal resident owners, 55+ and are in good standing, may apply for a Director position on the SCCA Board. The four candidates with the highest number of votes will be elected to fill the two-year terms. (Thereafter, there will be 4 open positions every even-numbered year, and 3 open positions every odd numbered year. I.E 4 open in 2016, 2018, etc. 3 open in 2015, 2017, 2019, etc.)

If you are interested in serving your community please come into the SCCA office to pick up an application and return it to the SCCA office no later than Friday, November 15, 2013 by 12:00 p.m. noon. Upon submittal of the application, candidates will be provided the Code of Conduct for Board members. If elected, the newly elected candidate will be required to sign and abide by the Code of Conduct, attend all scheduled Board meetings and work as a team with the other Board members. The Board sets policy and the staff carries out those policies.

Please remember that applications received after this deadline will NOT BE ACCEPTED. Each potential candidate is asked to submit a biography of 300 words or less, which will be sent to membership as submitted.

There will be a "Candidates Forum" held on Saturday, January 11, 2014, so members….. please mark your calendars now and plan to attend this very important event. It's your chance to get to meet all the candidates and make your informed decision on who you want to serve on the Board of Directors to represent your community.

SCCA's patio area being revamped by maintenance staff

The SCCA Maintenance Staff is always working hard and it shows! They have most recently completed revamping the small courtyard near the Lawn Bowl facilities into a new and improved patio area.

Micky Alexander, President of the Lawn Bowling Club says, "The maintenance crew has done a tremendous job with Tom's leadership. What a crew! I can't tell you how pleased we all are."

Renovations to our stunning patio area were completed in less than 2 weeks by our maintenance crew. Wow! We can't be more impressed or proud of the spectacular hard work they have accomplished. When you have the opportunity, take a stroll by the Lawn Bowl greens and admire our new patio area.

Lawn Bowling Club very happy with the new patio area!

Great part-time employment options for retirees

BY BILL NESS
CORE COURIER CONTRIBUTOR

Retail sales is a wonderful option for part-time work, especially during the holiday season.

Retirees have many great options for part-time jobs, particularly during the holidays when stores and businesses need extra help. This seasonal work can help retirees earn some extra cash for their own holiday expenses, such as gifts and travel plans. Finding a job around the holidays can also lead to future part-time work during busy periods or even year-round.

Here are some seasonal jobs to consider, as well as some part-time options that may work year round:

Retail Sales – It seems holiday shopping begins earlier each year and many stores need extra help to handle the additional workload. Start by talking to managers at your favorite stores, as retail jobs often come with store discounts as well. If you want a seasonal retail job, start looking early. Most holiday employees are hired well before Thanksgiving.

Mystery Shopper - Companies often hire mystery shoppers to test the customer experience at their own stores or even check out the service offered by their competition. This is a great part-time job for retirees who love to shop, especially if they can hit the stores during quiet weekday periods. You can find reputable work and more information through the Mystery Shopping Providers Association. (http://www.mysteryshop.org/)

Babysitter or Adult Caregiver – Parents who want a night out are happy to pay for a responsible babysitter, especially during the holiday party season or when they want to go holiday shopping without the kids. Primary caregivers for elderly or disabled adults may also need some extra help from time to time. Organizations like Care4hire.com can help you find appropriate job opportunities.

Patient Advocate – Patient advocates offer special services for homebound individuals or those with significant medical conditions. This new field is still taking shape, but the job typically includes tasks like picking up prescriptions, arranging doctors' appointments or sorting through medical insurance issues. There are currently no state licenses or accreditation for patient advocates, but the job is becoming more common around the country.

High School Tutor – There are certainly students who need help year-round, but many students may want extra help with a new subject at the beginning of the year or just before mid-terms. The mid-point is also a great time for high school juniors to begin preparing for the March SAT. If you have the appropriate skills, you can look for a job through a tutoring company or offer your services through friends and neighbors.

Tax Preparer - After the holidays have passed, the tax season offers another great opportunity for part-time work. You don't have to be a certified public accountant (CPA) to offer tax preparation services, but you do have to be registered with the IRS and pass an IRS competency exam. Once you meet the qualifications, you can work for a franchise company, like H&R Block, or find your own clients through friends and relatives.

For many retirees, part-time jobs offer a great way to earn some extra income while working flexible hours.

Did you know...

Did you know... that when you "merge" on the 215 Freeway going south, it doesn't mean to "stop" when cars are in the other lane merging also... it means to safely go in between any of those oncoming cars. Stopping completely, when those behind you expect you to "merge" can cause an accident. Be safe!

Did you know... that the annual election for the Board of Directors is coming up soon (February 13th)? Candidates are needed and applications are available in the SCCA office for the four (4) open positions. Deadline for completed applications is noon on Friday, November 15th.

Did you know... that the newly adopted Bylaws did not change the Association's 55+ age requirement? You still must be 55 or over to live in SCCA (but there are specific provisions for someone younger being allowed.)

Did you know... we need at least 4 people (or more) to run for the SCCA Board in February 2014? Come on some of you newer members... let's see you help the community by serving on the Board!

Did you know... the number for the National Poison Center is 1-800-222-1222?

Did you know... the SCCA office staff is in the office working even when the office closes at 4p.m. Monday through Friday and noon on Fridays? The SCCA administrative staff works 40 hours a week for you, even though some of it is "behind the scenes"!

Did you know... Avalon Management has supplied all the cookies and water for the reception area of the lobby of the SCCA office, at their expense? They also purchased the Association a great new camera with a zoom lens to use for taking violation photos! (And installed filters for most of the water systems on campus!)

Did you know... that the Core Courier is now being sent to "Resident" when there is an absentee owner, so the person living in the Core gets the news (instead of relying on the owner of the property to provide them with the newsletter) and that we always have extra copies of the newsletter available in the SCCA Admin office?

Did you know... That according to the City of Menifee Ordinances, no residence shall be used for any commercial manufacturing, distributing, storage, warehousing, mercantile, vending or other non-residential purpose? Did you know that all other businesses (consulting, tax preparation, etc., must obtain a home business license from the City? (And signs advertising a business or any nature are not permitted on residential lots – but signs on vehicles are excluded.) If you have any concerns, notify the City of Menifee directly.

Did you know... the SCCA does not and will not authorize anyone or any company to go door-to-door to do soliciting of any kind.

Did you know... dead palm fronds on palm trees attract rodents to live in? Rat droppings have been found to be just as, if not more dangerous than asbestos to one's health.

Did you know... when walking your pet, it must be on a leash and please pick up the dog poop.

Did you know... the SCCA cannot and will not become involved in neighbor-to-neighbor disputes, such as tree branches or hedges growing over a fence? If that is the case, you have the legal right to cut whatever is on your side of the fence (but please – be considerate and tell your neighbor ahead of time). If a neighbor is harassing you, you can call the police. If a neighbor is walking their dog and lets it poop on your front yard, you can call Animal Control.

Did you know... there are many scams out there right now, especially getting closer to the holidays. Be aware that EMWD confirms that there is no such thing as water line insurance. Painting of curbs is not authorized by the SCCA nor by the City of Menifee (it's a company that does it hoping for donations for the work they did and if they do one home, they must legally do all homes on that street?)

Did you know... that we're considering starting a "New Member Orientation" to be held on a quarterly basis? If we do something like that, would YOU attend? Give us a quick call at (951) 679-2311 and let us know if you feel it's worth it.

Sun City E.P.A.C. moving forward for future improvements

The Sun City Emergency Preparedness Advisory Committee (E.P.A.C.) meeting of September 24, 2013 was called to order by Chairman Gary Barton.

Guests attending were Charles Tate, Jim Ramsdell and Gloria Sanchez from the Oasis 55+ community in Menifee. They spoke of how the Oasis Emergency Preparedness Committee was formed and how it has met the challenge of providing this valuable service to their residents. Many good suggestions and ideas were brought forward and were well-received. The Oasis has a good model of a well-organized and active committee. They were willing to answer questions and also offered ongoing advice to the Sun City E.P.A.C.

Also at the 9/24 meeting was Mary McCaslin-Blanchard, a Sun City resident, California Fire Chaplain and former shelter manager. Ms. Blanchard had been involved in an earlier community attempt to set up an E.P.A.C. She shared some of the lessons learned from that endeavor and also suggestions for increased success.

Other business included an O.K. from the SCCA Board to proceed with a FEMA-funded Community Emergency Response Team (C.E.R.T.) training here in the Sun City Core.

Matt Alverson reported that he was scheduling meetings with the incoming City of Menifee Emergency Preparedness Coordinator, with CalFire Captain Tom Rodriguez and with Menifee Valley Medical Center. He also advised us the A.M.R. representative John Campbell is willing to provide complimentary First Aid and C.P.R. training.

Upcoming meetings will address the need to obtain 2-way radio communication equipment and training, as well as setting up districts within the Core

The Sun City E.P.A.C. is looking for interested volunteers in such fields as emergency response, search and rescue, first aid/C.P.R., communication, publicity, newsletter, finance, training, etc. If you are interested and have some experience in any of these or related areas, we would be pleased to have you contact Gary Barton at 951-244-5830.

Art Guild motivated to expand

The purpose of the Sun City Art Guild is to motivate an interest in the arts through monthly meetings held each third Friday of the month September through May at 12:30pm in the Art Room except December & May when we meet in North Town Hall.

Fine artists from the area demonstrate painting techniques in oils, acrylics, watercolors, pastels and gourd painting, etc.

Drawings are held at each meeting for the demonstrator's painting or one of his/her prints. Also, members bring one of their paintings for all the members and guests to vote on, for which the winners receive ribbons. Refreshments also served.

Throughout the year there are art shows, member's exhibitions, workshops and interesting trips.

The Art Room is next to the Crystal Pool, is open on Monday to Friday from 9a.m. to 4p.m. to paint and learn from one another.

You must be an SCCA member to join. We would love to have you join us. If you are interested, please call the membership chairman Bob McGee at 672-7847 or bmcgee39@verizon.net.

Swim Club and Aquarians fantastic costumes and snowmen performing their "snow" routine.

Swim Club performs swim show

"Everyone talks about the weather but"... Sun City Swim Club did something about it. With a theme of "KSUN Radio Weather Station", the club presented its 45th annual swim show on October 4th and 5th in the Crystal Pool. The show opened with announcer Helen Richmond forecasting rain. It progressed with routines about snow, clouds, rainbows, moonlight stars; twice she was describing the actual conditions – windy and sunshine.

This year the swimmers ranged from age 66 to age 82. For two of them this was their first swim show. The club is hoping to have many new swimmers next year. President Carroll Ulrich says, "We're desperate for new swimmers, and we'll train them". The audience made comments about enjoying the show and liking the music, which were a mix of favorites and less familiar songs. There were many praises made for their costumes, particularly for the little snowmen on the rings in the "snow" number and bright colors in the "rainbow" routine.

They will begin practicing for their next show in May 2014. For more information please contact Carroll Ulrich at 951-679-0369 or Lupe LaBriola at 951-672-2105.

Great job Swim Club and Aquarians! We look forward to seeing what you have in store for us next year!

Holiday show to be last of year

SUBMITTED BY BEVERLY HUMBLE
PRESIDENT OF THE SCCC

2013 is coming to a close, the Board of the Sun City Coordinating Council thanks everyone who supported our events this year.

The last event of the year will be our Holiday Show on December 14th at 2:00 p.m. in the North Town Hall. Entertainment for the afternoon will be provided by Virgil Gibson, former Lead Singer of the World Famous Platters during the 60's and 70's. Many Core members have enjoyed his music in the past.

We are happy to have him perform for the afternoon. This is a FREE event with light refreshments.

We look forward to seeing you all for an afternoon of music and visiting with your friends. Bring your family, friends and guests.

On behalf of the Sun City Coordinating Council, we wish you a Happy Holiday Season.

A Way to a Happy New Year

by Robert Brewster Beattie

To leave the old with a burst of song;
To recall the right and forgive the wrong;
To forget the things that bind you fast
to the vain regrets of the year that's past;

To have the strength to let go your hold
of the not worthwhile of the days grown old:
To dare go forth with a purpose true,
To the unknown task of the year that's new;

To help your brother/sister along the road,
to do his work and lift his load;
To add your gift to the world's good cheer,
is to have and to give a Happy New Year.

50 is the new 40 – Today's active adults are more active than ever

BY BILL NESS
CORE COURIER CONTRIBUTOR

Today's retirees are enjoying more active lives thanks to their dedication to fitness and healthy lifestyle habits.

Some people are fond of saying that 50 is the new 40 (or is it the new 30?). This bit of wordplay aside, people are living longer, healthier lives than ever before. This trend shows up in the media, in pop culture and in the pastimes found at today's active adult communities.

While there is a wide variety in age-restricted community amenities, many modern clubhouses boast facilities designed to support active recreations. Some new (and even renovated) state-of-the-art fitness centers often go beyond cardiovascular and strength-training equipment to include indoor walking tracks, lap pools and dedicated studios for aerobics, dance, yoga or other group fitness classes.

Outdoor recreations are also more expansive in modern, resort-style communities. A wide range of sports courts are often found in addition to more traditional shuffleboard, horseshoe pits and bocce ball courts. Residents can stay in shape with challenging activities like tennis, softball, basketball, racquetball, soccer or pickleball.

Of course, there is more to an active lifestyle than being physically fit. Active adults today are finding joy in discovering a well-balanced lifestyle. That means nurturing their bodies along with their minds and spirits. It means taking part in social clubs and trying a variety of new experiences.

When it comes to mental activity, communities often provide special-interest discussion groups, lecture series or classes. Some developments have their own on-site learning centers, and many have computer centers where residents can stay up-to-date with current technology. Communities which are located in close proximity to a college or university may also make it easier for residents to participate in lifelong learning opportunities.

Travel is another way that many retirees stay active, and many explorers prefer to arrange trips that combine educational experiences with recreational attractions. Active adults who live in Del Webb communities can now take part in exclusive Road Scholar Adventures as well, although you do not have to live in a Del Webb community to plan an educational vacation with this exciting organization.

While active adults in their 50's and beyond may be healthier and more active than ever, active adult communities are meeting the challenge with an ever-expanding line-up of fabulous social and recreational amenities.

SCCA to hold Veteran's Day Ceremony

In honor of Veteran's Day, the SCCA will be holding a special Veteran's Day Ceremony on Monday, November 11th at 9 a.m. at our Veteran's Memorial Waterfall (located near the Ceramics Room). We will be honoring our heroes by rededicating our newly renovated waterfall memorial with a new beautiful plaque.

The ceremony will include speeches by Board of Directors President Rosi ElRite, the Merchant Marines Old Salts Chapter, VFW Auxiliary Post 1956 and Mayor Scott Mann along with our SCCA resident, Councilman Greg August. Come and join us in honoring our veterans and heroes.

For more information contact the SCCA Activities Coordinator Alesia at (951) 679-2311 ext. 27.

S.C.C.A. organized first race to fight against cancer

The Sun City Civic Association organized their 1st Annual Susan G. Komen Race for the Cure Team, called the ***S.C.C.A. - So Cancer Can't Attack*** team, to support the fight against cancer and celebrate our local survivors.

The ***S.C.C.A. - So Cancer Can't Attack*** team held a Bake Sale Fundraiser Event to raise money for the Susan G. Komen Foundation on Saturday, September 28th from 12pm-3pm. We had several local residents donate baked goods and make generous contributions to the cause. We were able to sell many baked goods and donation basket tickets for our two fantastic donation gift basket prizes.

SCCA Residents Tom and Pat Thurman not only purchased delicious baked goods at our S.C.C.A.-So Cancer Can't Attack Bake Sale Fundraiser, but they also donated $200 to be donated to our Race for the Cure Team! Thank you Tom and Pat for your generosity!

The donation basket prizes, donated by the SCCA, SCCA Staff, GFWC Sun City/ Menifee Woman's Club, Needlecraft Club and Manpower were won by Linda Smith and Susan Rizzo. It was a fantastic day of coffee, friendship and fun! With the help of our attendees and volunteers, we were able to raise $430 at our event!

On October 20th at the Promenade Mall in Temecula, our ***S.C.C.A. - So Cancer Can't Attack*** team came together for Race Day. Our ***S.C.C.A. - So Cancer Can't Attack*** team included a total of 17 team members

Charlene Willem and Berkie Harris, proud Breast Cancer survivors and members of the S.C.C.A. - So Cancer Can't Attack Team!

Donation Prize Winner, Linda Smith finds that generosity and charity has its rewards.

Donation Prize Winner, Susan Rizzo thrilled with her new basket of goodies!

out of the 9,000 total people that participated in the race that day! Our team members included SCCA residents, staff and friends, Berkie Harris, Charlene Willem, Dee Wheatbread, Linda Ellings, Susan Rizzo, Nicola Tompkins, Helen Rhoades, Phillip Rhoades, Nancy Davis, Marie Smith, Lynne Hoop, Maddison Hoop, Hailey Johnson, Carol Wysocki, Kelly Fox and Board of Directors President Rosi Elrite. The event was a true celebration of life, compassion and community support.

We would also like to make a special shout-out to Berkie Harris and Charlene Willem, who were also our proud ***S.C.C.A. - So Cancer Can't Attack*** team Breast Cancer survivors! Congratulations on beating cancer and we are blessed to have you both as members of our team!

In total our ***S.C.C.A. - So Cancer Can't Attack*** team raised $805 in donations to give to the Susan G. Komen Foundation Inland Empire! We could not have achieved this without the generous donations from Tom and Pat Thurman who donated over $200, Suzanne McKnight who donated $100, and the attendees at our Race for the Cure Bake Sale Fundraiser. Thank you for all of your generous hearts and donations! We could not be prouder of our residents!

SCCA Holiday Hours

In the spirit of the holiday season and Christmas, the SCCA Board of Directors gave the SCCA staff a very special gift… time with our families! The SCCA Board of Directors has generously approved for the SCCA Office and facilities to be closed on the following dates.

Thanksgiving Day - Thursday November 28th: Office closed and facilities closed ALL DAY

Day after Thanksgiving - Friday November 29th: Office closed and facilities OPEN

Christmas Eve - Tuesday December 24th: Office and facilities close at noon

Christmas Day - Wednesday December 25th: Office closed and facilities closed ALL DAY

New Year's Eve - Tuesday December 31st: Office and facilities close at noon

New Year's Day - Wednesday January 1st: Office closed and facilities close ALL DAY

As a result of these holiday facility hours all SCCA Club activities and events will be cancelled on Thursday November 28th, Wednesday December 25th and Wednesday January 1st and all activities and events after 12 p.m. on Tuesday December 24th and Tuesday December 31st. (Note: Last year there was little to no use of the facilities by residents on Christmas Eve and New Year's Eve.)

We want to thank you for this very special gift and the opportunity to spend time with our families during this holiday season. We hope you will make plans to be with your family, friends or neighbors as we end 2013 and look forward to the new year of 2014.

Ways & Means Committee

The Ways & Means Committee would like to thank you for all the support you gave us at our functions this year. We are so glad that so many of you enjoy the movies. If there are movies you think we should show don't hesitate to tell us as we would love to hear from you. The large halls are no longer available for us for the rest of 2013 for our movie day so we will reconvene on Jan. 11th. at 1:00 p.m. We also want to thank the office and the maintenance fellows who help us endlessly. We appreciate your dedication to our committee. Again thank you everyone. Sheila Neal, Chair of the Ways & Means Committee.

Thanksgiving traditions involve food, games, friends and family

Apart from food, the biggest Thanksgiving traditions are football and parades. In ancient harvest festivals, people usually celebrated with games and sports, so you could argue that the football tradition has very deep roots. The traditional American Thanksgiving football game was usually between the Detroit Lions and the Green Bay Packers, but as football has become more popular, there are now more games on Thanksgiving Day.

The tradition of Thanksgiving parades goes back to the early 20th century, when people began to associate Thanksgiving with the beginning of the Christmas shopping season. In order to attract customers, stores like Macy's sponsored

RESIGNATION

Good Luck to Randi Hewitt and her new adventures, though she will be very much missed by the Sun City Civic Association!

It is with regret that we announce that Randi Hewitt has officially resigned from the Board, effective October 8th. Randi and her husband, Chuck, had planned to move from the community earlier this year (so we wrote up a nice good-bye to her then) and then their home fell out of escrow. However, being the adventurous couple they are… they didn't let that stop them. They fulfilled their dream and bought a second home in lovely Oregon. After having spent most of the summer there, Randi came to the conclusion that she and Chuck will be doing so much traveling back and forth that she can't do justice to her position as a Board member, and so she has resigned. We again thank Randi for all her contributions and wish her the very best of luck and enjoyment.

Should I volunteer for the Board?

In February of 2014, the Sun City Civic Association will have their Annual Meeting to fill four (4) vacancies on the Board of Directors. If you're considering running for the board, we ask that you take a few moments to ask yourself the following three questions:

Do I have the time?

As a board member, you will need to devote at least several hours of your time each month to association business. In addition to regular monthly board meetings, you will need to be active in email discussions and occasional special meetings. During special projects, you may need to spend a little extra time on association business. Some board members may also spend a little more time than others if they work with a committee.

Can I make tough decisions when it's required?

The primary role of the board is to conduct the business of the association. This doesn't just mean approving the budget, but also developing and enforcing policies. Board members are required to step outside their immediate circle of family & neighbors and make decisions based on the greater good of the community.

Can I do all this and have fun, too?

It isn't all about policies and tough decisions. Our community is only as good as we make it, and establishing & maintaining a sense of community is a part of a board member's responsibility. Planning and attending functions such as our picnics and being a presence in the community are as important as any policy decisions you may make.

Being a board member can be frustrating at times, but it may also be one of the most rewarding ways you'll find to volunteer your time. If you're interested in running for the board or would like more details about board's responsibilities, please contact the General Manager, Nancy Davis or a current board member. – Thank you, Avalon Management Group

Thanksgiving Traditions (cont.)…

▶▶CONTINUED FROM **PAGE 10**

elaborate parades like the Macy's Thanksgiving Day Parade.

Some people choose to express their gratitude by giving back to the community. Volunteer activities, such as helping out at a soup kitchen or at a shelter, are popular ways to spend Thanksgiving Day.

Since 1947, the National Turkey Federation has gifted a live Thanksgiving turkey to the White House, along with two butchered turkeys. It's not known exactly when United States presidents began pardoning the White House Thanksgiving turkey, but the tradition is thought to be connected to Abraham Lincoln sparing a turkey named "Jack" from becoming the main dish in a holiday meal. Today, the Annual Turkey Ceremony takes place in advance of Thanksgiving, and the public has the opportunity to name the spared turkey, who lives its remaining days at the Kidwell Farm, a petting zoo in Virginia.

Finally, because Thanksgiving is the fourth Thursday of November and thus falls on a different date each year, the president of the United States issues a yearly proclamation to establish the date of the celebration. In 1863, President Abraham Lincoln began the tradition, and every president since has issued a Thanksgiving Day proclamation.

RESIDENT RECIPES

Tropical Dump Cake

Sheila Neal's delicious Tropical Dump Cake!

Ingredients
1 20 ounce can cubed or crushed pineapple
1 15 ounce can tropical fruit
1 package of orange cake mix
1 1/2 sticks of butter
1/2 cup instant oatmeal
1 cup coconut flakes

Preheat oven to 350 degrees. Dump both of the fruits & their juices into a 9 x 12 Pyrex baking dish. Pour the dry cake mix on top of the fruit & spread out evenly. Mix oatmeal & coconut & sprinkle over cake mixture with fingers. Melt butter & pour on top evenly. It should cover the entire cake mix. Bake for one hour & serve with ice cream.

Avocado Chicken Salad

No mayo! ...
Avocado Chicken Salad:
2 or 3 boneless, skinless chicken breasts
1 avocado
1/4 chopped onion
juice of 1/2 a lime
2 tbsp cilantro
salt and pepper to taste.

Cook chicken breast until done, let cool and then shred.

Mix with all other ingredients.

This can be served on crackers, as a sandwich or as a salad on a bed of lettuce. Enjoy.

We're honoring Marcella Meszar

Happy 99th Birthday to Marcella Meszar! She came to Sun City in 1980 and enjoyed the bicycle club, swimming, and exercise room. Guess what? She still attends ALL those things today. Her birthday is October 19 and you can meet her most afternoons near the pool or working out or you could stop by the bicycle club meeting Tuesday Morning at 9 o'clock. That is EVERY Tuesday, rain or shine in Webb Hall for coffee and donuts. As a retired school teacher she would be happy to see you. Marcella does not ride her bike anymore but she has been at almost every meeting for 33 years. She says she will not tell anyone her age until next year. She thinks we don't know so she is pretending to be 89.

PET CORNER

When Emergencies Happen

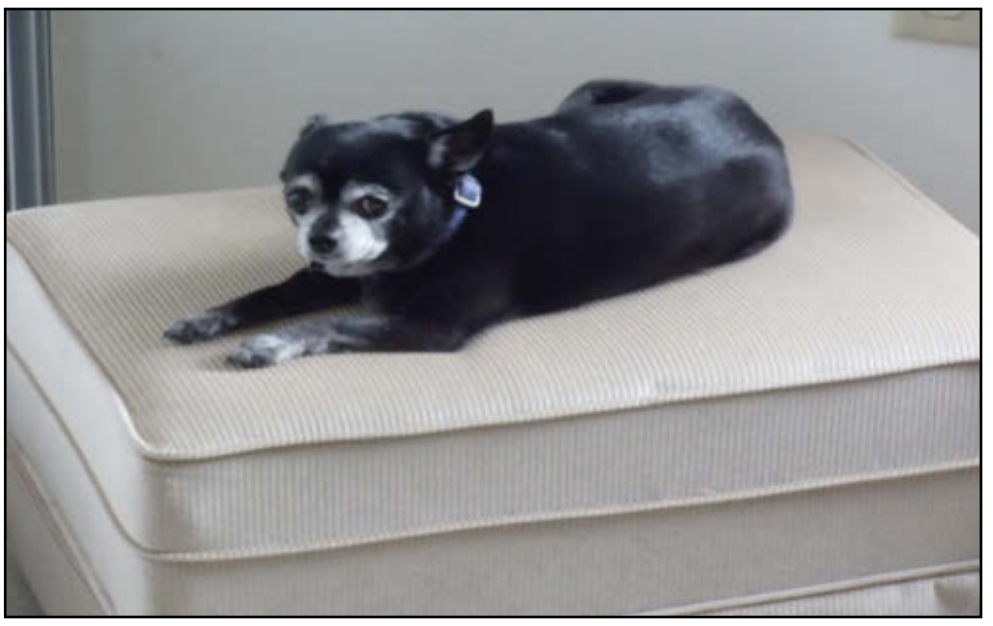
It seems when an emergency with our pets happens, it happens on weekends and holidays! On Labor Day weekend our Penny took a turn for the worse. We rescued Penny from K9 Adoptions about 4 years ago. At that time, she was an owner turn-in and way overweight at 15 pound 8 ounces, and was coughing, panting and very unhappy to be there. I knew immediately that Penny was in trouble and decided to foster her so we could get some weight off and find out just what was going on with "Little Old Lady". Much to our dismay she not only had Cushing's Disease, but heart problems, was and of course, way overweight.

We decided that if she was to be saved we needed to adopt her, which we did, and got her on medications that she would need to live her life out as comfortable as possible. Penny decided that she was going to adopt my husband Tom, and no matter where he was, she had to be his shadow.

When he was working, she laid on the couch waiting for him to get home, and then she turned into a tornado running and playing with him like she was a puppy. We got her weight down to 8 pounds and she had no more coughing or breathing problems. The next 3 years were a blessing for her and us.

We were at the vet's the week before Labor Day because Penny was not eating much, losing weight and just laying around not interested in much, except to be where Tom was. They did testing, gave new meds and we were to go back the following Wed.

On Sunday, Labor Day weekend, we knew she was in trouble. Our vet is open on the weekends normally but with the holiday weekend we figured they were closed, but to our joy, I called, they answered and in we went. Dr. Teresi was waiting for us and immediately started checking and running tests to see what was happening. The news was not good, so Tom made the decision to do what all of we pet lovers hate to do. Our Penny went over The Rainbow Bridge quickly and is now at peace.



Our Special Angel Penny

We are so thankful that Mountainview Small Animal Hospital at 151 Diamond Dr., Lake Elsinore is always open on weekends and the only day they close is the holiday only. They do not charge $300.00 as the emergency hospitals normally do, just to get in. Drs. Hempel, Jessup and Teresi are all very good doctors and have the equipment to do most all of the tests needed for emergency situations. Call: 951-674-1475. I have gone to Dr. Hempel for over 26 years and give him the highest ratings possible for his knowledge and abilities to keep our pets healthy.

Health Tips from Our Pets

PLAY MORE: Dogs and cats love to play for one simple reason. It makes them happy. The inner joy and satisfaction of play will bring you a powerful way to release stress, boost brainpower, and increase happiness.

TAKE A DAILY WALK: Regular walking may be one of the most powerful medicines we have; it keeps weight down, helps boost brain health, and can decrease your risk of heart disease, cancer, diabetes, osteoporosis, and depression. Just 20 minutes a day will give you these benefits.

GIVE UNCONDITIONAL LOVE AND SUPPORT: Our pets express their love frequently and are always there to give you a snuggle or a purr. An open heart and unconditional love are among our greatest healers and protectors. Try it with the people you love and your life could become much richer.

MAKE SLEEP A PRIORITY: Cats sleep from 12 to 16 hours a day and dogs about 10 hours a day. The proper amount of sleep will make you more alert, produce your productivity, and trim your waistline. Take a cue from your pet and make sleep more important in your life.

FORGIVING: Your pets will always forgive you. Because they are incapable of holding grudges, animals react immediately to whatever happens to them and then move on. When we hold grudges, we sap our bodies of valuable energy and add more to our stress levels. Learn to be forgiving like your pet, and be happier and less stressed.

STRETCH OFTEN: Pets are natural yogis. They are always stretching and releasing tension from their bodies which is what we should be doing too.

STICK TO SCHEDULES: Pets are creatures of habit. Try feeding them off-schedule and see what happens! Try to create a schedule for yourself and stick to it. You will reap the rewards.

LISTEN TO YOUR BODY: Animals pay attention to their body's needs. Listening to your body will help prevent stress-related problems and keep your immune system healthy so you can fight off disease. So drink fluids, do not skip meals, walk, and have a routine.

SHADE YOURSELF FROM THE SUN: When it's hot and sunny our pets go for the shade. We need to follow their lead and seek shade as much as possible, (especially between 10 a.m. and 2 p.m.), and put on sunscreen especially when you're playing with your pets. (Credit to Best Friends, May/June 2013)

Holidays are ahead and please never be so busy that you forget to make sure gates are locked, doors are shut, collar with license is on and a microchip is hopefully in place. There are just too many things going on during the holidays with company, shopping, and all the other distractions that just might make you lose track of your pets. Don't let the nightmare of having one of your pets get out and not knowing where to find them happen.

Comments or Questions to Pat Thurman, petcorner2896@aol.com.

HAPPY HOLIDAYS TO ALL OF YOU HERE AT THE SCCA.

Chair Volleyball Championship Play-Offs

Saturday, October 12th was a tremendously exciting day at the Sun City Town Halls. The Annual Senior Olympics in Chair Volleyball took place from 9:00 a.m. until 3:00 p.m. The 17 teams competing for medals included Air Force, Wildomar, Canyon Lake, Riverside and Sun City.

There were 7 Lite teams playing, and a Sun City Lite Team was in the play-off for a medal. Sun City succumbed to the Menifee Chair Bears in the final game. The Chair Bears won first and third place, with Air Force winning the silver medal.

There was also a final play-off in regular team competition. Sun City and Canyon Lake had a fierce battle for the silver medal, with Sun City winning the final game and many cheers and jeers. Canyon Lake took the gold and bronze medals.

Sun City Core members interested in joining a lively group of Chair Volleyball players can come on Thursday at 9:00a.m. in North Town Hall.
