# Message from the President

By Brian Holley, President of Sun City Civic Association

First, I would like to say again that we are going to have a great year. The Board is planning four dinners and dances. I won't tell you when the first one is — April is a big one — oops I was not going to tell you and will not tell you casino night is this month. Look for date in here. Dueling pianos will be back as well as Ray's band and darn good grub. I hope to see you all there!

There still is no word on the golf course, but I will let you know when we do get information. When we do, we will plan a mass town hall meeting for the members of the Sun City Civic Association (SCCA). This meeting will not include the developers and we'll answer questions to the best of our ability.

This brings me to another point again — if you are not in the SCCA mass email list, please go to the office to fill out the form. We do not share the information with anyone. If you mark the box not to share, it is safe and only in our system.

Do us a favor — when you are out shopping or at a restaurant, if you could please speak to the owner or manager and ask why they do not have an ad in our magazine. Our magazine is paid fully by ads and, as you can see in the magazine, we are wavering on being able to afford production. It is expensive, but it is a beautiful magazine. The cost to us for the magazine is a hit to our budget that we cannot withstand. Help us by asking those people why they are

not advertising in our magazine. All they have to do is contact the office, and they will put them in contact with the publisher.

By the time you get this magazine we will be finishing up with SCE parking lots. Our apologies that the campus was closed in late January. It needed to happen because they had to pull wire to install new transformers. We had to completely shut down and unplug all equipment on campus to ensure that when the power was turned on/off, we did not have a big surge of power to blast through everything. It was quite an undertaking. As for outdoor activities, they were closed because key card gates were all inoperable; pumps and heaters were off at the pool; and on and on, so thank you for your patience.

I look forward to seeing you at casino night and have a great March!

P.S. For the median on Cherry Hills, the City came through and completed the landscape project. It took a few years, but it is done now. Thank you to Bob Karwin for being on top of this.

P.P.S. As you have noticed by now, there are a lot of new trees/plants on the campus along Sun City Boulevard and Cherry Hills Boulevard. Just to let you know, as promised, we mapped out all the sewer and water lines and irrigation. Louie's Nursery gave us a great deal on crepe myrtles, roses, and bougainvillea, so there will be lots of color this summer when everything blooms.

# Resident Blown Away By Estate Sale Find

By Nancy Moniger

Who needs gas or electric golf carts to power you around Sun City when you can use wind power!

Sun City's 92-year-old resident Jay Gum, his daughters Debbie and Mary, and pet dog Sissy recently attended an estate sale at the home of Kathie and George Pool. They spotted a metal eight-foot John Deere windmill that Kathie put out for sale. It had been in her back yard accompanied by many farmhouse decor items Kathie used to decorate her home. George and Kathie were farmers in Nebraska before retiring, and their lovely home had that warm country feel. The farmers, as the Chair Volleyball club lovingly referred to them as, were moving back to Nebraska, and their estate sale had some wonderful items.

When Jay spotted that windmill, he had to have it. He took the time to measure it and then quickly left in his golf cart. Moments later, he came back with bungee cords in hand and proceeded to attach the windmill to the back of the golf cart. Bystanders were concerned and offered to drive it to their house and one lady even stopped her truck to offer, but Jay wasn't having it! He said, "I measured it, and by God it will fit." He had that dogged determination, and no one was going to tell him otherwise.

While his daughter and little dog Sissy sat patiently waiting for him in the golf cart, Kathie's sister Patty helped him to secure it, and it did indeed fit. Bystanders clapped and laughed out loud as he turned the cart onto the street. It was a windy day, and the wheel of the windmill was turning furiously. If you did not know better, you would swear that windmill was powering the golf cart and making it go. Jay was all smiles and giggles.

As much as Kathie did not want to part with the windmill, she and her family were so grateful it was going to Jay as his enthusiasm warmed their hearts. They knew it found a delightful home. Jay invited them over to see where he was putting it on his property. He has plans to install a new window to get a better view of "HIS" windmill. The old saying holds true that "one man's scrap is another man's treasure!"

# City Details Community Beautification

By Robert Karwin, [bkarwin@cityofmenifee.us](mailto:bkarwin@cityofmenifee.us)

Some long-awaited projects are underway in Sun City. Median improvement and beautification on Cherry Hills Boulevard, between Pebble Beach and Sun City Boulevard, is nearing completion.

On February 14th, work began to extend the turn pocket on westbound median of Bradley Road on McCall (in front of Chase bank) to allow more cars to move out of the through lanes, so traffic will flow more smoothly. The work is expected to be completed by the end of March. Please note that the curb in front of Chase bank is now painted red and is a “no parking” zone. If you want to use the ATM, you must park in the lot in the rear of the bank or risk getting a ticket.

This summer, Sun City will be getting its first park. The design for a 1.94 acre passive park behind the Faith Lutheran Church on Roanoke and Portsmouth has been finalized. We are in the final stages of property acquisition. The construction is expected to begin this June.

Finally, I am pleased to announce that we have formed a new Veterans and Military Families Advisory Committee. Your District 1 representative on that committee is Linda Blanche. They will be advising the City Council on needed programs and support for not

only our veterans, but also their families who need our help when their loved ones are deployed or gone for long periods of time. I will update you when the meeting schedule is released.

If you have questions, comments, or concerns about the city email me at [bkarwin@cityofmenifee.us](mailto:bkarwin@cityofmenifee.us).

City Council meetings are held at City Hall the first and third Wednesdays of each month at 6 pm and are open to the public. You can also watch online on our YouTube channel.

# Garden Club

**Join the Garden Club for Exciting Events!** We meet on the third Tuesday of every month at 10 am. Sign in, enjoy refreshments and our plant table (members bring cuttings and plants for sale), view the Treasure Table (donated items are raffled), and visit with other members. Each meeting also includes a raffle ticket for door prizes.

Though we do not meet in July and August, we are busily planning our September to June year. We have many activities planned, including touring another local botanical garden, hearing from a beekeeper and Master Gardeners, learning about the benefits of earthworms, water-wise gardening, and so much more. Come join the fun and learn all you can to create a garden oasis in our desert community.

Our home tour is planned for April 2025, so do not miss out seeing what some of our members have planted and done to enhance their individual landscapes. There are so many gorgeous drought-tolerant yards that provide many benefits. Call us if you would like to join the tour!

If the heat bothers you, plant a tree; if water bothers you, plant a

tree; if you like fruits, plant a tree; if you like birds, plant a tree; and, if you like life, plant many trees.

We are all about teaching, learning, and working together to make our individual spaces at home as much a paradise as possible. With drought-tolerant landscaping (not just cactus!), a yard can be transformed while using very little water. Come join our President Jennifer Lopez; co-Vice Presidents Jill Hardy and Valerie Gibson; and Treasurer, Camille Susca to learn about the fun things we can do to beautify our surroundings. ~ Jill Hardy

# Friendship Club

Welcome to the New Year. During 2024, we followed our club motto, "Friends, Food, and Fun," which is also our meeting's agenda. 2024 was a successful year for the Friendship Club, and we are hoping to make 2025 an even better year.

The club ended the year with a very successful holiday feast of turkey, ham, all the fixings, and dessert. We hope to continue into the New Year with this fabulous attendance that brings together our old friends and new friends. We so enjoy getting together to reconnect/connect and enjoy our shared dishes of delicious food.

We are planning three Club Appreciation meals for club members only (this is reason enough to become a club member!). For

the Club Appreciation meals, all the food is provided by the club. The Club Appreciation meal's themes are Cinco de Mayo (May), Barbeque (September), and the Holiday Feast (December). We are planning an additional food event, which is the Chili Cook-off (October). That's not bad for the \$15 per member annual membership fee.

To those of you who came to the Friendship Club in the past, I invite you to try us again. We have been listening to many suggestions and making adjustments. We are not the Friendship Club of yesteryear.

I invite you to our Friendship Club meetings/potlucks at Civic Hall on the first Friday of every month. Doors open at 5 pm. From 5 to 5:30 pm, we have our get

acquainted with our new and old friends. From 5:30 to 6:30 pm, we start sharing our food at our famous potluck. For those of us that enjoy cooking and baking, we get to share our favorite dishes. For the others, stop by the local grocery store/deli and bring your favorite food. I have not met anybody who thinks that doing dishes is fun, so we ask that you bring your own place setting (throwaway plate and utensils). Don't forget your favorite non-alcoholic beverage (coffee and water provided). Speaking of fun, at 6:30 pm, we finish the evening with games and story exchange. Please come and join us at Civic Hall next to the Billiards Room.

See you soon!

# Knitters & Crocheters

**Senior Knitters & Crocheters of Menifee**

*Knitters are off to a great start!* We had a great first two weeks in January. During our first meeting on the 7th, we had 89 items donated for our recipients. We continue to grow, and our ladies keep the Afghans, hats, shawls, scarfs, baby blanket and hats, and other items coming every week. Pictured at right are a large multi-colored Afghan and a baby blanket, both made by our members.

We meet on every Tuesday, from 11 am to 3 pm in Civic Hall. Come join us for some great fellowship and learn how to knit and/or crochet. We would love to have you join us. There are no dues, and all are welcome.

## Bike Club

**Bike Club Invites New Members ...** Today's Sun City Bike Club is very different from the Bike Club started in 1965. The Sun City Bike Club is one of the oldest clubs in Sun City. Many seniors today are moving to E-Bikes as a means of getting cardio exercise. Our Bike Club is made up of five riders who still pedal and nine E-Bike riders. Yes, you still must use the pedals with your E-Bike to get exercise.

There are four classes of E-Bikes:

Class 1 – Pedal assist. The motor only works if you are pedaling. The max speed is 20 mph.

Class 2 – Pedal and throttle assist. You have a throttle that will

increase the power of the motor. The max speed is 20 mph.

Class 3 – Pedal assist plus optional throttle with max speed of 28 mph.

Class 4 – Pedal and throttle assist with max speed of 28 plus mph.

Seniors in the Bike Club ride Class 2 E-Bikes.

In April, we will have a day when you can try out an E-Bike. We will also be serving hamburgers. The date and time to be announced next issue.

The Bike Club meets every Tuesday morning at 8 am in Building "I" in the Museum, Room #2.

## TOPS

TOPS Sends Off 2024 with a BANG: TOPS Chapter 0853 in Sun City held their annual Christmas Celebration in December. In planning the event, a discussion came about having a Christmas Gift Exchange. It was decided that we had received many Christmas gifts over the years and that we preferred to be of help to those who could use some special attention. We asked our members to supply basic need items, such as shampoo, toothpaste and toothbrushes, bars of soap, deodorant, etc. for women in the Alternatives to Domestic Violence Shelter. When all the

gifts arrived, we calculated that it was worth far more than we had anticipated. This is the true spirit of Christmas.

We also had a catered Christmas lunch with all the delicious and traditional foods. The tables were set with festive decorations. There was a drawing for the centerpieces. Some of our members donated baskets to bid on, and we had a drawing for cash prizes.

We had a special surprise when Sun City resident Joe (at right) came and gave a performance that had us all laughing. It was a Christmas party to remember.

## Yoga

Yoga for flexibility and friendship... Yoga is currently every Friday, from 9 - 10 am., in North Town Hall. Yesi, our instructor, does a fabulous job with all levels of Yoga expertise. Yesi brings nine years of yoga experience and two years of teaching experience. Yesi's focus is on Hatha yoga, a gentle and nurturing style of practice. For those

who are new to Yoga or have any flexibility issues, a chair can be used in addition to a mat. There is plenty of room for more to enjoy the wonders of Yoga for flexibility, mental fitness, or an opportunity to meet others. Mats are available if you don't have your own. Come join us and feel great again!

# Sun City Slammers Chair Volleyball

*What Kind of Love is Contained in Our Trophies and Medals?* Looking back at 2024, our Sun City Slammer Chair Volleyball Club has achieved gratifying results. The trophies and medals contain our endless seriousness, fun, and laughter.

At the beginning of the new year, we continue to enjoy the happiness that volleyball brings us and our persistent love for volleyball.

When Nancy served the ball, her body language told us that she was a dancer sitting on a chair. Even looking at the picture, you can enjoy the experience as if you were there. Look at Nadine and Doris, who have raised their hands and are confident in the game. Look at all the players on the court and the teammates sitting in the rotation position. Every pair of eyes is watching the volleyball in the air. However, when the ball landed, whether it was the scorer, the opponent's players or the waiting players, they all laughed from the bottom of their hearts at

the same moment.

What kind of charming sport is this?! ~ Annie Kong

## Bunco Fun Bunch

Join us Wed., March 26. Our group gets together to play Bunco every fourth Wednesday from 1 to 4 pm in Civic Hall (26601 Cherry Hills Boulevard). We do not play for money but instead play for gift cards. We ask each player to bring a \$10 gift card (with receipt taped to it) for our "prize pot" and a snack to share with others. Some of our winners may take home over \$90 in various gift cards while other players may win \$70, \$50, or \$20 in gift cards, depending on the bunco category won.

We play three to four games during an afternoon. If you are a newbie, don't hesitate to come. Bunco is fast-paced, but very easy-to-learn. If you can roll dice and move from chair to chair, then you can play. We play in a large room on long tables (four players to a table), so there is lots of room for our "snacks and cups" and nothing interferes with our dice roll. We usually have at least 28 players (seven tables), lots of snacks, and many winners. All SCCA residents and their invited guests may come. We ask that all players reserve their Bunco seat by calling us with your name, phone numbers, and email.

Player Requirements:

1. SCCA residents sign-in at the door AND show current SCCA

White Activities ID Card (it has your photo on it). Resident may bring guests, but guests must sign-in at the same time resident does;

2. Everyone brings a \$10 gift card with its receipt attached (tape it to card.) and places it in the "Prize Pot." (Gift cards may be for restaurants, fast food, retail stores, etc.); and

3. Everyone brings their own drink and a snack to share with others (no alcohol). Please take snack leftovers home with you.

RSVP by calling Mary Jane (760-310-5956) or Nancy (714-895-5001). Be sure to give your name, phone number, and your guests' names and phone numbers. Also, please call back if you need to cancel so we can fill your spot from our Wait List. Doors open 12:40 pm for sign-ins and collection of gift cards. After signing-in, you can set-up your snack on the counter and find a table and chair. Players must be signed in and ready to play before 1 pm (doors close and no additional sign-ins after 1 pm). Game Rules are reviewed at 1 pm and games begin at 1:05 pm. Come with a friend and make more friends while you have a time of laughter and unpredictable game play with the Bunco Fun Bunch.

## Travel Club

New Board members were introduced for 2025. We had several new membership sign-ups at this meeting. Welcome aboard.

Culinary in Italy.

We meet on the first Wednesday of every month at 12:45 pm at the Community Center. Doors open at 12:15 pm, and you are welcome to join us as a guest so you can hear all about our upcoming trips and possibly win a complimentary gift. Enjoy our free refreshments while meeting others who love to travel. ~ Dorie Rea
