Happy Easter!

Message from the President

By Brian Holley, President of Sun City Civic Association

The Casino Night was another great hit. The appetizers were fantastic — at least the ones I had. On April 12, we are having our outdoor party. There are 300 spots available with street tacos, hamburgers, hot dogs, drinks, and The Ray Miller Band in the Amphitheater. Once you read this, make your reservation at \$10 a piece (see page 4 for additional information). We will have pies and ice cream for dessert.

Everything on campus is slowly waking up from the wet winter. The pool will open in May, and everything is just cooking! Everyone is having fun with the Clubs and on campus, so enjoy yourself.

There is no news on the golf course. The North Course clubhouse and maintenance area were torn down. We're grateful because it had become a nightmare for the police department as well as anyone living nearby. They have not put anything in at the city yet in terms of any plans at the North Course or the course on Cherry Hills. They are removing all the bathrooms that were on the golf course.

There has been a lot of talk again lately by people who think they are in the know about the Association's Rules & Regulations. Starting this month and running for a couple of months, I am going to share with you what I know. On some of these things, the timeline might not be exact, but the years will be correct. I will start with this: we do have the right to make Rules & Regulations,

Bylaws, and Covenants, Conditions & Restrictions (CC&Rs). They were all put in, tract by tract and lot by lot, when they were built.

The first thing that comes in August 1963 is that the SCCA became incorporated, which was filed with the county and state, making us a non-profit corporation. In the short sweet and to-the-point paperwork, giving us the ability to make Bylaws. I will explain Bylaws in length in the next magazine.

Let's step back to the CC&Rs and/or the deed restrictions. Those deed restrictions are what we rely on the most — again, as each tract was put in, they were filed with county with the CC&Rs at that time. Here is the surprise that only a few of us know: this was deemed an adult-only community, so beginning with the first tracts and lots, anyone 18 years old and older could live here. It was not a 55+ community until President Bill Clinton signed into effect the HOPA Act in 1995.

In approximately 1997, we ratified the SCCA and became a 55+ community with a grace period where those younger than 55 that had been living here 15-18 years prior to 1997 could stay here, so they were grandfathered in. I think this is enough for today — next time I'll touch on the bylaws and then go on to the never ending CC&Rs.

You all have a nice April! I will see you at the upcoming events.

HERE ARE OLSON'S TOP TIPS FOR AVOIDING THE MANY SCAMS OUT THERE:

1- MAKE SURE THERE IS A PLAN

Most timeshare exit companies will try to cancel a timeshare as there are no buyers. The only guaranteed way out is to find someone else willing to become the new owner.

2- THERE IS NO RESALE MARKET

Accept that there are thousands of timeshares not selling for one penny. Timeshare is outdated and there is no market for resale. Do not pay timeshare listing companies to advertise something that will never sell.

ENDING YOUR TIMESHARE JUST GOT EASIER, THE REAL DEAL HAS ARRIVED.

By Laura Kelly

Thousands of timeshare owners have successfully ended their timeshares through a proven resource, We Want Your Timeshare. The company has a unique model which is centered around a transaction with a major bonus, every client receives a 2-year membership to a travel club!

In essence, your timeshare is traded into a travel club that will be able to use it. The previous owner is then able to enjoy a couple years of unrestricted travel without the hassle of timesharing systems. Offering education and resources for avoiding timeshare exit scams is a passion for their CEO Alexandra Olson.

"In an industry riddled with deceit and fraud, we give our knowledge freely and hope, if nothing else, that we can help the masses avoid being the victim of a scam."

Olson will be presenting her popular seminar again at the Kay Cenicerros Senior Center on Saturday April 19th and Sunday April 20th at 10 am. To secure a space (limited) interested timeshare owners can call 602-734-5590.

As a 15-year veteran of the timeshare industry, Olson has catapulted into the spotlight as the leading industry expert on timeshare and exit scams. It even landed her on FOX 10 Phoenix, ABC 15, The Arizona Republic and the Phoenix Business Journal.

Whether estate planning, sick of the never-ending cycle of rising maintenance fees, or just tired of dealing with the archaic, expensive exchange system, there are plenty of reasons folks are looking to dump their timeshare.

When asked about We Want Your Timeshare, Olson shares "our mission is to revolutionize the timeshare exit industry by providing a zero-risk option for timeshare owners that want out! We're very transparent about it. No risk, an amazing replacement product and a legal timeshare exit so you can be done with your timeshare forever. We're very proud of that!"

Message from the General Manager

By Norma Zermeno

I hope everyone is enjoying spring!

We started this year's event with a great Casino Night. I hope you were able to attend. This month sees us having the following fun-filled events:

- April 12 – This is an SCCA event at the amphitheater celebrating the music of Elvis Presley and dinner. The cost is \$25 per person, and there is one guest per home permitted.
- April 19 – A Bingo event will be held in Civic Hall, from 5 to 7 pm, with prizes, food, and FUN. The cost is \$25 per person, and guests are permitted.
- April 26 – This FREE Medicare Forum has all you need to know about Medicare. Lunch is provided. It will take place in Webb Hall and begins at 10 am.
- May 3 – The FREE Senior Health Fair is sponsored by the City

of Menifee and begins at 10 am in both North and Webb Halls with free lunch for the first 150 people.

More details below. We hope you can attend!

We have several other fun events coming up, so stay tuned!

The new Veteran Memorial bricks have been installed at the Memorial fountain area; swing

by to check them out. We still have room to accommodate the addition of Memorial Bricks for Veterans. If you are interested in purchasing and customizing a brick, please visit the office to view the costs and place an order. We need a minimum of five bricks ordered to begin the process, and it will take up to 12 weeks to receive. Once the brick is received, we will install it at the Memorial area.

We do not have major projects in the works. It seems campus is quiet aside from the great events coming up.

Have a great Easter!

City of Menifee Update

By Robert Karwin, bkarwin@cityofmenifee.us

Each month, I remind you that City Council meetings are held at City Hall on the first and third Wednesdays of each month at 6 pm, and are open to the public. You can also watch online on our YouTube channel.

You should also know that our very important Senior Advisory Committee (SAC) meets every fourth Tuesday of each month at 10 am in the Council Chambers in City Hall. Your District 1 representative to this committee is Tracye Pierson. The meetings are open to the public. All are welcome to attend and give your input on issues, needs, and concerns for our Menifee seniors. The SAC meetings are not currently streamed on our YouTube channel, but I am working on that.

In other news, if everything goes as planned, we should be starting construction of the new Bradley Road Bridge over Salt Creek in early

summer. The project will take about 18 months to complete and will require the complete closure of Bradley Road, in both directions, for a substantial amount of that time. If you need to travel over that bridge regularly, then you should start now in planning your alternate route.

Finally, I want to encourage everyone to sign up for our new emergency alert program: Alert Menifee. It provides notices about emergency situations, such as severe weather, evacuations, and road closures. You can choose to receive notifications by landline phone, cell phone, text/SMS, or email. The information entered in the system is for the purposes of communicating emergency and official City information only and will not be sold to outside interests. To sign up, please go to <https://alertmenifee.genasys.com/portal/en/>.

If you have questions, comments, or concerns about the City, email me at bkarwin@cityofmenifee.us.

Garden Club

Home Tour Planned by the Garden Club

The Garden Club meetings are held on the third Tuesday of every month, beginning at 10 am. Sign in, enjoy refreshments, view our plant table (members bring cuttings and plants for sale), check out the Treasure Table (donated items are raffled), and visit with other members. Each meeting also includes a raffle ticket for door prizes.

Though we do not meet in July and August, we are busily planning our September to June year. We have many activities planned, including touring another local botanical garden, a beekeeper, and Master Gardeners as well as learning about the benefits of earthworms, water-wise gardening, and much more. Come join the fun and learn all you can to create a garden oasis in our desert community.

Our home tour is planned for April 2025 so don't miss out seeing

what some of our members have planted and done to enhance their individual landscapes. There are so many gorgeous yards that are drought tolerant that provide many benefits. Call us if you'd like to join the tour!

If the heat bothers you, plant a tree; if water bothers you, plant a tree; if you like fruits, plant a tree; if you like birds, plant a tree. And, if you like life, plant many trees.

We are all about teaching, learning, and collaboration to make our individual spaces at home as much a paradise as possible. With drought-tolerant landscaping (not just cactus!), a yard can be transformed while using very little water. Come join our President Jennifer Lopez, co-Vice Presidents Jill Hardy and Valerie Gibson, and Treasurer Camille Susca to learn about the fun things we can do to beautify our surroundings. ~ Jill Hardy

The Sun City Travel Club meets the first Wednesday of every month in North Town Hall. Doors open at 12:15 pm and the meeting starts at 12:45 pm. Dues are \$20 a year to join and includes at least two parties. Anyone living in the SCCA core, with a current SCCA membership card, can join. Guests are always welcome to all our meetings and events. Small refreshments are available, and everyone gets a free ticket for a drawing. All trip sign-ups are done after the meeting is over. We hope to see you there!

Bunco Fun Bunch

ROLLIN WITH OUR PEEPS IN APRIL. If you are not playing Bunco yet, then you are missing out on a great time with a really fun group of people. All SCCA residents and their guests are welcome to play. Newbies too. Bunco is fast-paced, but very easy-to-learn. If you can roll dice and move from chair to chair, then you can play. Bunco is played on the fourth Wednesday of the month at 1 pm in Civic Hall (26601 Cherry Hills Blvd.). There are no membership fees, but players donate a \$10 gift card to play. This month, we play Wed., April 23. As mentioned, we do not play for cash but for gift cards (GCs) that are donated by each player. Winners may take home a handful or two of various GCs, depending on how many people play and which Bunco category is won. Civic Hall's large room accommodates the tables we play on (four players per table). There is lots of room for our "snacks and cups" and nothing interferes with the roll of the dice. We always have lots of snacks and many winners. It's a fun time for all.

Player Requirements:

SCCA residents sign-in at the door and show current SCCA white activities ID card (it has your photo on it). Resident may bring guests, but guests must sign-in at the same time resident does.

Everyone brings a \$10 GC with receipt attached (taped to card) and places it in the "Prize Pot." (GCs may be for restaurants, fast food, retail stores, etc.).

Everyone brings their own drink and a snack to share with others (no alcohol). Please take leftovers home with you.

SCCA residents may bring guest(s), but the resident and guest(s) must sign-in together at the door (the resident is responsible for all guests they bring).

RESERVATIONS REQUIRED - We need to know how many players

to set-up for, so please reserve your seat by calling Mary Jane at 760-310-5956 or Nancy at 714-895-5001 or emailing Debbie at suncitydebg52@aol.com. Regular monthly players who give Deb their email receives a game day email reminder a few days before the game). Please reserve your seat at least two days before game day. Be sure to leave your name, phone number, SCCA number, and your guest's name and phone number). Important: If you need to cancel, please call us ASAP so we can add someone from the wait list.

BUNCO SCHEDULE: 12:40-1 pm: Sign-Ins & Collection of GCs; 1 pm: Doors Close - Rules Review; 1:05 pm: Game starts.

After signing-in, please set-up your snack on the counter and find a table and chair. Players must be signed in and ready to play by 1 pm. No additional sign-ins after 1 pm.

Come with a friend and make more friends while enjoying an afternoon of laughter and game play with the Bunco Fun Bunch.

Bike Club

Today's Sun City Bike Club is very different from the one started in 1965. The Sun City Bike Club is one of the oldest clubs in Sun City. Many seniors today are moving to E-Bikes as a means of getting cardio exercise. Our Bike Club is made up of five riders who still peddle and nine E-Bike riders. Yes, you still must use the peddles with your E-Bike to get exercise.

There are four classes of E-Bikes:

Class 1: Peddle assist: the motor only works if you are peddling; max speed 20 mph.

Class 2: Peddle and throttle assist: you have a throttle that will increase the power of the motor; max speed 20 mph.

Class 3: Peddle assist plus optional throttle: 28 mph max speed.

Class 4: Peddle and throttle assist: 28 mph plus speed.

Seniors in the Bike Club ride Class 2 E-Bikes.

We recently held a day when you can try out an E-Bike. It was a fun time enhanced by some delicious hamburgers.

The Bike Club meets every Tuesday at 8 am in Building "I" the Museum, Room #2.

Knitters & Crocheters

Senior Knitters & Crocheters of Menifee

We have been very busy with new members and donation recipients.

Our Valentine's Day raffle was won by our own Debbie Pucciarelli who also works in the Medicare insurance field. Our Military Liaison Susan V. has taken 54 items to MilVet and has 75 items to take to the Wounded Warrior Project. Lorna, our Club President, has been picking up and delivering many items to a homeless facility for battered and abused women and children and many more. She is a great asset to our club in so many ways.

We had our Valentine's Party on Feb. 11 and celebrated two birthdays with cake and games enjoyed by everyone. We look forward to each week that we can get together and have more stories, donations, and collaboration on making things that our ladies are so great at. So far this year, we have donated over 277 items!

Yarn and funds to buy more yarn are always welcome.

Arts & Crafts Guild

Sun City Art & Crafts Guild Activities Picking Up

At our February meeting, we created "Bardo's Adorables." These delightful wooden birds were created by Bardo Galloro who cut out each bird, with attachments, for our members. We glued and nailed them together and then added our own paint, beads, or embellishments to create our unique birds.

The Art Room is open every Wednesday, from 1 to 3:45 pm for members to spread out and create as well as visit with other artists. Our general meetings are on the third Wednesday of each month from 1 to 3:30 pm. Kathy Pickett teaches Watercolor classes each Thursday from 9 am to 12 pm and 1 to 4 pm. We have Art Gatherings the third Friday, from 12:30 to 4 pm and all mediums are welcome — but no solvents please.

The Art & Crafts Guild is dark from June to September for meetings, but we are open for Wednesday General Meetups, Thursday classes, and Friday Art Gatherings. We hope you can join us for these activities.

Quilting Club

Veterans Honored by Quilting Club

Eleven veterans from five branches of service were honored on February 1st by the Quilting Club's Quilts of Valor chapter along with another chapter located in Perris.

The veterans served in our armed forces from the Korean War up to the present. The award ceremony took place in Webb Hall on a special day for the quilters.

On the first Saturday in February each year, Quilts of Valor members gather to sew in large groups. All the activity of cutting, pressing, and sewing together creates a bond that we enjoy. We are humbled by the sacrifices of our military and want to honor them.

Do you know a veteran who has been touched by war that you would like recognized? Go to the Quilts of Valor website and complete a nomination form: www.qovf.org.

Woodshop Group

The Woodshop would like to thank Robert and Esther Van Zamp (below) for their generous donation of kitchen cabinet doors, glass inserts, and drawer parts.

Donations of some varieties of wood, tools, woodworking books, sandpaper, and other items are always welcome and appreciated. Donations are sometimes sold for a small profit that helps with the cost of supplies needed at the woodshop. Thank you in advance for any donations made.

Pickleball

The SCCA pickleballers have adopted a name for our club. From now on, we will be called the ‘Sunrisers.’ On Feb. 15, the Sunrisers held our first club tournament, and it was a wonderful success. Originally, it was to be held on Valentine’s Day, but, due to inclement weather conditions, we moved it to Saturday.

The “Luck of the Draw” served to set the teams, and participation certificates were awarded to all players. Medals were given to 1st, 2nd, and 3rd place winners. First-place winners were Bryan Bezljaj and Paul Bailey; second-place winners were Mark Cordell and Jan Bailey; and third-place winners were Diane Seals and Will Howard.

Gift bags were given out to all 12 individuals who participated, and refreshments were available.

Our club meets on Monday, Wednesday, Friday, and Saturday mornings. We have practice and lesson days on Tuesdays and Thursdays. Some members of our group also compete on Sunday evenings. Join us and play the fastest growing sport in America and, yes, even the world.

The officers consist of President - Paul Bailey; Vice President - Will Howard; Secretary/Treasurer - Jan Bailey; and Drills & Practice Coordinator - Vern Clark. Contact us at c59828@yahoo.com.

Sun City Twirlers

Twirlers Looking for Dancers

Our February classes found lots of square dancers in the mood to celebrate Valentine's Day!

In this photo are a couple members of the Core community, Eileen Johnson and DiAnn Boykin, and some of the students showing off their spirit of love for square dancing! While our regular teacher Gumby (aka Brent Lively) is currently out for medical reasons, you can see Terri Sherrer seated in the background getting ready with the next dance.

We will host our next dance on April 13, from 1:30 to 5:30 pm in North Town Hall. Come join us!

Shuffleboard

Sun City Shuffleboard Club Seeking Members

Shuffleboard is a classic game that has been enjoyed for centuries, offering a blend of skill, strategy, and friendly competition. Its charm lies in the balance of skill and fun, making it a great game for social gatherings. It is widely loved for its social aspect, but while it is competitive, the pace is slower than many other games, allowing you to enjoy the company and have time to chat between turns.

Join us on Mondays from 1 to 3 pm, and Wednesday and Saturday nights from 6 to 8 pm, for a fun game. It's a fantastic way to unwind, compete, and connect with others.

If you have never played the game, come learn! Or you can watch the Sun City Shufflers team competition league games. Shuffleboard membership is \$20 a year. Call Dave for more information at 951-961-6989

Chair Volleyball

The Laughter Factory

The most precious things in the world are free, such as air, sunshine, rain, and laughter, but you may not know that there is a laughter factory right here in Sun City where laughter is free and endless. During a game of chair volleyball, laughter explodes out of players — from the heart and from every cell in their body just laughing for the pure joy of it as they play with a roomful of seniors who love this game. The laughter is contagious, and it is okay to make a mistake and hit someone in the head, as it is just a volleyball. When that hit in the head allows the ball to go over the net to score, the laughter gets loud, and the clapping begins. As funny as it is, when we laugh out loud, it helps us to reduce tension as well as lightens our worries and our self-doubts. It's healing!

Every Tuesday through Thursday morning and Friday night in North Town Hall, several big rainbow beach balls fly over nets, and the people on both sides are rather like a group of fun children — so lively and exuberant. But they are not young children; they are a group of old children, aged 55 to one 100!

There are always snacks, warm hugs, and great coffee.

The charm and magic of chair volleyball is not just the laughter. It also sharpens your brain, eye vision, and physical coordination.

Players are always amazed how this exercise strengthens them and helps them with strategic thinking, especially to those who are handicapped.

For most of us, the three mornings and one night per week of laughter and camaraderie is a very special time at the laugh factory. So, we encourage others to join us on Thursday mornings where new and beginning players can feel the fun and warmth that this sport provides. The only requirement to play is a sense of humor!
