AGE VERIFICATION - SHORT SURVEY FORM (For residents that previously completed a full verification)

State and Federal law requires the verification of ages and eligibility of every owner or resident of a home located within the Sun City Civic Association. All residents **must** complete a Full Age Verification Form, and provide proof of their age or alternative eligibility, to certify their eligibility to reside in this senior community.

Every two years the Association must conduct a survey to confirm continuing compliance with State and Federal law and regulations. This short form permits a resident that has already submitted a Full Age Verification Form, and proof of age or alternative eligibility, to confirm his or her continuing eligibility.

If you have any questions about how to complete this form, please contact the SCCA Office at (951) 679-2311 during regular business hours. The Association holds all Age Verification Forms, Survey Forms, and documents proving eligibility, in confidence to the extent permitted by law. The full Age Verification Form is available on the website: www.SunCityCivic.com

I certify that I previously submitted the Full Age Verification Form with satisfactory proof of my age or alternative eligibility to reside in a senior community, the documents I previously provided as proof may still be relied upon, I still occupy the SCCA residence at the address below, and at least one occupant of this address is 55 years of age or older:
