

SCCA CAMPUS COVID-19 GUIDELINES

The following is a list of recommended guidelines for use and enjoyment of the SCCA campus. **Please remember** that while SCCA is attempting to follow CDC recommended guidelines, you are using the SCCA campus and its facilities at your own risk. All SCCA rules and guidelines are still in effect during this time. **No guests allowed until further notice.**

CAMPUS

- Masks and social distancing are recommended when in the common areas and masks are required in areas where it may not be possible to maintain physical distance
- Members/residents need to supply their own hand sanitizer and use it frequently
- Bathrooms, showers, and high traffic areas will be cleaned following a disinfection plan throughout the day. Maintenance will thoroughly clean the campus between 2:00pm and 11:00pm.
- Bathrooms will be stocked with hand soap and paper towels
- Anyone using the facilities must follow all recommended guidelines and rules
- **The halls, billiards, and spa will not be open at this time; no gatherings permitted**
- Wood shop and lapidary are each limited to 3 persons and 1 monitor (if available)
- Ceramics is limited to 5 persons and 1 monitor (if available)
- Art is limited to 4 persons and 1 monitor (if available)
- Horseshoe, lawn bowling and shuffleboard are open
- Any questions, please call the office at 951-679-2311

POOLS/GYM

- No large groups or pool parties are permitted but individuals from the same household can stay together
- Lounge chairs and tables will be at the required 6 feet distancing Please **DO NOT** move them. If these items are moved, they will have to be removed and will then be unavailable for use
- **ONLY FOUR (4)** persons allowed in the gym
- Should the pools/gym get overcrowded, then a scheduled time slot and duration will be implemented and enforced

PLEASE REMEMBER TO

- Wash your hands frequently with soap and water
- Cover your mouth/nose when coughing or sneezing
- Avoid **ALL** areas of the campus, pools, etc. if you are experiencing any symptoms, which include, yet are not limited to:
 - Fever of 100 degrees or more
 - Sore throat
 - Runny nose
 - Chills
 - Sneezing, coughing, abdominal pain, or diarrhea
 - Or you just don't feel well
- Please use appropriate disinfectant to wipe down any surfaces that you touch, i.e. doorknobs, pool furniture, gym equipment, sticks, pucks, machinery, etc.

Through the measures above, the Association is attempting to follow the guidelines provided by the CDC and other pertinent health agencies related to COVID-19 pandemic in the hopes that the measures will help prevent further spread of the virus. Unfortunately, because there is so much unknown with this virus, the Association cannot make any guarantees that the procedures outlined above will prevent spread of the virus. As such, we caution all residents to be as careful as possible and understand that use of the facilities is at your own risk. The Association may also need to make changes in the future as additional information or guidelines are developed and published by the CDC and other pertinent health agencies. Together we can help try to limit spread of this virus and pandemic. Thank you.
